Greenland Adventure: Explore by Land, Sea and Air

Quark Expeditions has once again accomplished another polar first by offering the first voyage developed in partnership with local communities. Leveraging the best of South Greenland, this expedition will allow you to set foot on the Greenland Ice Sheet, go heli-hiking in the high alpine regions, or choose to participate in one of many adventurous added Adventure Activities. Our local partners will help you experience the best South Greenland has to offer while also enjoying the creature comforts of *Ultramarine* alongside her exceptional expedition facilities including two-twin engine helicopters and a custom zodiac hangar capable of getting you out on your experiences faster than any other vessel.

Nature is the tour guide: Sea, ice, and weather conditions will determine your trip itinerary. Embrace the unexpected.
