

Spotting a herd of Svalbard reindeer.

## Spitsbergen Explorer: Wildlife Capital of the Arctic

Explore Spitsbergen's rugged west coast enroute to the lesser visited southern and northern shorelines on a 12-day sailing. We journey in continuous daylight, seeking walrus and polar bears amidst stunning glaciers, towering cliffs, abandoned historical sites and colorful tundra. The landscapes in the outlying islands to the north are as varied as the animal life and will leave you with indelible memories.
