Ship - Silver Cloud

After extensive refurbishment, Silver Cloud is the most spacious and comfortable ice class vessel in expedition cruising. Her large suites, her destination itineraries and her unparalleled service make her truly special. Her four dining options will tantalise your taste buds and as 80% of her suites include a veranda, watching a breaching whale or a few cavorting penguins has never been so personal. A limited number of guests in polar waters, mean that Silver Cloud has one of the highest crew to guest and space to guest ratios in expedition cruising. With her 20 zodiacs, 10 kayaks, possibilities are almost limitless with ship-wide simultaneous explorations.
